

Day and Night Heads Up Display (DANHDUD) Assessment Event (AE)

25-27 June 2024

Event Outcomes

SOFWERX, in collaboration with USSOCOM PEO-SW, hosted an Assessment Event (AE) to identify solutions to enhance operator capability and situational awareness in both day and night conditions and decrease white-light self-illumination risk.

- 39 Industry participants from 13 organizations presented their technology briefs to the Government team
- Out of 47 submissions, 18 capabilities were selected to brief
- A team of 21 USSOCOM and other government representatives participated virtually and in-person to listen to briefs and have one-on-one conversations with Industry
- USSOCOM will make their decision as to which organizations they will choose to move forward with in the coming weeks
