

# Drone in a Box (DIB) Assessment Event (AE)

15-18 July 2025

## Event Outcomes

SOFWERX, in collaboration with USSOCOM Program Executive Office Tactical Information Systems (PEO-TIS), hosted an Assessment Event (AE) to identify production model solutions for a configurable multidomain system capable of performing a variety of missions related to uncrewed aircraft systems (UAS) and uncrewed ground systems (UGS).

- 70 Industry participants from 23 organizations presented their technology briefs to the Government team
- Out of 100 submissions, 23 capabilities were selected to brief
- A team of 15 USSOCOM and other government representatives participated virtually and in-person to listen to briefs and have one-on-one conversations with Industry
- USSOCOM will make their decision as to which organizations they will choose to move forward with in the coming weeks
