

# Family of small Unmanned Ground Systems (FosUGS) Assessment Event (AE) and Demo Day

04-07 December 2023

Event Outcomes

SOFWERX, in collaboration with SOF Acquisition, Technology, and Logistics (SOF AT&L) Program Executive Office Tactical Information Systems (PEO-TIS), hosted an Assessment Event (AE) and Demonstration Day to identify production model solutions for general-purpose multi-role/multi-mission robot systems.

- 15 Industry participants from 7 organizations briefed and demonstrated their capabilities to the Government Team
- Out of 13 submissions, 8 capabilities were selected to present
- A team of 3 Government Stakeholders and 9 other USSOCOM representatives participated in the one-on-one conversations and watched the demonstrations
- From the presentations/demonstrations, USSOCOM will downselect those solutions they feel have the highest potential to satisfy their technology needs within the next couple of weeks
