

JSOU GPT - AI Platform Assessment Event

12-13 September 2024

Event Outcomes

SOFWERX, in collaboration with USSOCOM Joint Special Operations University, hosted an Assessment Event (AE) to develop a custom Generative Pre-trained Transformer (GPT) model tailored to the university's academic domain for the academic and administrative needs of students, faculty, and staff members.

- Out of 72 submissions, 5 capabilities were selected to brief
- 15 Industry participants from 4 organizations presented their technology briefs to the government team
- A team of 5 government representatives participated virtually and in-person to listen to briefs and have one-on-one conversations with industry
- JSOU will make their decision as to which organizations they will choose to move forward with in the coming weeks
