# PEO-M: Next Generation Maritime Optical Systems Assessment Event

21-22 January 2026

Event Outcomes

SOFWERX, in collaboration with USSOCOM Program Executive Office - Maritime (PEO-M), hosted an assessment event to identify solutions for the Next Generation Maritime Optical Systems for the Naval Special Warfare Combatant Crafts.

This effort is crucial in delivering a state-of-the-art system that prioritizes both operator and craft safety and survivability, ultimately enhancing mission effectiveness in challenging maritime environments.

- 23 Industry participants from 10 organizations presented their technology briefs to the Government team
- Out of 34 submissions, 10 capabilities were selected to brief
- A team of 10 USSOCOM and other government representatives participated virtually and in-person to listen to briefs and have one-on-one conversations with Industry
- USSOCOM will make their decision as to which organizations they will choose to move forward with in the next 4 weeks
