S&T Directorate SME Position

15 November 2024

SOFWERX, in collaboration with USSOCOM Science & Technology Directorate, required a Subject Matter Expert (SME) to provide technical oversight and management for tasks associated with multiple projects in support of USSOCOM S&T.

Event Outcomes

- Out of 88 submissions, 7 personnel were selected to interview
- An S&T Directorate Government representative participated in-person to have one-on-one conversations with candidates
- S&T will make their decision as to which candidate they would like to move forward with in a week
