

Spring 2025 Florida College Career Fair

04 March 2025

Event Outcomes

SOFWERX hosted a booth at the Spring 2025 Florida College Career Fair, where students of all majors discovered opportunities in the local workforce. The purpose of the career fair was to provide meaningful connections for the students of Florida College.

- SOFWERX staff engaged with numerous students, providing them with detailed information about the various internship program opportunities available and offered guidance on where they can learn more about those opportunities
- Many students also inquired about the SOFWERX mission and its efforts in community outreach. The staff shared insights into the current events and projects
- The career fair featured representation from approximately 40 different organizations, each showcasing their programs and opportunities to the attending students.
