

Institute of Electrical and Electronics Engineers University of Southern Florida Career Fair

21 October 2026

SOFWERX hosted a booth at the Fall 2026 Institute of Electrical and Electronics Engineers (IEEE) University of Southern Florida (USF) Career Fair, engaging students across a wide range of engineering majors. The event provided an opportunity to build meaningful connections with aspiring engineers and identify potential candidates for future internship opportunities.

Event Outcomes

- SOFWERX staff spoke with numerous students, sharing information about the organization's mission, internship programs, and ways to stay connected with future opportunities.
- Students also learned more about SOFWERX's ongoing projects and its role in fostering innovation and collaboration within the defense and technology communities.
- The career fair brought together representatives from around 17 different organizations, each connecting with USF students and highlighting potential career paths in engineering and related fields.
