

USSOCOM Teen Leadership Program 2026

24 July 2026

Event Outcomes

SOFWERX, in collaboration with the United States Special Operations Command (USSOCOM) and the USSOCOM Force and Family Readiness Program (FFRP), hosted a STEM-focused event in support of the 2026 USSOCOM Teen Leadership Program. SOFWERX also hosted the program's graduation ceremony.

- SOFWERX hosted 18 high school students for a full day of immersive STEM and leadership activities, including a capture the flag decoding activity, hovercraft robot assembly, a 3D printing demonstration, and a plasma-cutting tutorial
- During the event, SOFWERX staff, in collaboration with USSOCOM's FFRP hosted Dr. Angel Davila, COL(Ret), who facilitated a creativity and divergent thinking workshop that connected innovation with purpose, reinforcing the SOF mindset and supporting the USSOCOM mission to cultivate resilient, service-oriented future leaders
- To conclude the event, SOFWERX hosted the USSOCOM Teen Leadership Program graduation ceremony
