

SOF AT&L Work-Life Balance Collaboration Event (CE)

12 October 2023

Event Outcomes

SOFWERX, in collaboration with USSOCOM (PEOs: M, FW, RW, SW, SDA, TIS, Services, SOFSA Directorates: AC, AL, AS, AO, AR, EIS, S&T, K, SOJA) hosted a collaboration event to identify work-life balance issues. The most recent USSOCOM climate survey revealed a work-life balance problem at the macro level. The purpose of this event was to get an overall perspective from a variety of SOF AT&L's PEOs and Directorates representatives, to assist with the work-life balance initiative.

- 53 Government representatives participated
- Participants were divided into 8 groups to discuss current limitations and ways to overcome limitations
- The groups developed 24 problem statements that will be used as reference materials for the Government stakeholder team
