

eMerge Americas 2025

27-28 March 2025

SOFWERX participated in eMerge Americas' 2025 Conference + Expo, held at the Miami Beach Convention Center in Miami, FL. The premier global technology conference brought together several thousand attendees, including venture capitalists, entrepreneurs, and tech innovators.

Event Outcomes

- SOFWERX hosted a booth at the Miami Beach Convention Center to inform attendees on how to best engage with USSOCOM via the SOFWERX platform and encouraged them to join the SOFWERX ecosystem
- On Thursday, 27 March, Leslie Babich, SOFWERX Director, participated in a panel, speaking on the "4 Pillars of defense Innovation"- Non-FAR acquisition pathways, small business contributions, and venture capital investment.
