eMerge Americas 2026

22-24 April 2026

Event Outcomes

SOFWERX participated in eMerge Americas' 2026 Conference + Expo, held at the Miami Beach Convention Center in Miami, FL. The premier global technology conference brought together several thousand attendees, including venture capitalists, entrepreneurs, and tech innovators.

- SOFWERX hosted a booth at the Miami Beach Convention Center to inform attendees on how to best engage with USSOCOM via the SOFWERX platform and encouraged them to join the SOFWERX ecosystem
- On Thursday, 23 April, Leslie Babich, SOFWERX Director, participated in a panel, speaking on the "Space Domain Supremacy: Pioneering Dual Use Technologies for the Frontier."
